BOOK SYNOPSIS

Written for the spiritually-minded woman, *Spiritual Rules* describes how Kabbalah views relationships and what makes them work (or not work); and reveals that it is the woman who holds the power to determine the outcome. The book explains the spiritual reasons behind the different ways that men and women think and act in a relationship. And who better to reveal to women the secrets of men and marriage than a kabbalist? Author Yehuda Berg is not just any man, but a kabbalistic teacher who regularly provides counsel to hundreds of individuals and couples, and who is happily married himself. His book is based on the principles of Kabbalah, but the ideas and methods he presents will resonate with people of all backgrounds. This is not a book of dating tips, although its rules do work. They have to work: They are the Laws of the Universe. You will learn about the Law of Attraction (Like attracts Like), and about the Vessel and the Light and their respective roles. You'll find the true meaning of the term "soul mate;" and why it is that your soul mate has to find you, not the other way around.
